

Prime Olympic

The Dutch Authority for the Financial Markets (AFM) warns consumers not to respond to offers from Prime Olympic. This company is a suspected boiler room.

Prime Olympic has approached persons without being asked, to offer them investment proposals. A boiler room is a collective term for fraudulent individuals and organizations

using clever salespeople to call potential investors to pressure them into buying shares that promise high returns (cold calling). In reality the shares are either worthless or non-existent.

The AFM has established that Prime Olympic does not have an AFM license or a European Passport.
