

Invitation: NGFS Scenarios Outreach Session

The Network of Central Banks and Supervisors for Greening the Financial System (NGFS) is very pleased to invite you to an Outreach Session dedicated to the June 2020 [NGFS Scenarios](#).

The outreach session will provide an introduction to the NGFS Scenarios in order to foster their use by financial firms. Experts will present the NGFS Scenarios at a high level, including main assumptions, modelling framework and results. In a second part, some NGFS Members will explain their planned climate stress test exercise as an illustration of possible applications of the NGFS Scenarios. This session also seeks to collect feedback from firms on the scenarios as the NGFS continues to develop them further.

Attendance:

This session is targeted at financial firms operating within the NGFS membership that expect to use the NGFS scenarios. Interested individuals are invited to register for the session on [Google Form](#) (via embedded link).

Dates:

Two sessions will be held to facilitate different time zones.

Afternoon session: Friday 25 September, 17:00 – 18:15 CEST

Morning session: Tuesday 29 September, 10:00 – 11:15 CEST

Tentative Agenda:

- Introduction by the NGFS Secretariat
- Overview of the NGFS scenarios
- Next steps for the NGFS scenarios
- Practical applications
 - o Bank of England climate stress test
 - o ACPR climate stress test
- Q&A (25 mins)

NGFS:

The NGFS, which was launched at the Paris One Planet Summit on 12 December 2017, is a group of central banks and supervisors willing, on a voluntary basis, to share best practices and contribute to the development of environment and climate risk management in the financial sector and to mobilize mainstream finance to support the transition toward a sustainable economy.
